Denise Donoghue's Rate Shopper Email Template

SUBJECT LINE: Rate shopping: COMPLETED! Pick your rate!

Good morning Harold and Barbara,

I have completed shopping over 32 banks and have prepared a few options for you. Please feel free to call or email with any questions after you review the hyperlink below. We're here to help make this decision easy!

**** [CLICK HERE TO VIEW THE RATE BOARD AND OPTIONS - IMPORTANT!](#) ****

- Each change in rate changes the monthly payment by \$64
- These monthly payments **include the taxes and insurance.**
- We are overestimating these funds to closing right now because legally we have a 10% tolerance. The funds to close includes everything: down payment, closing costs, deposit for escrow account, and deducting the \$4,700 Earnest Money deposit already. The only 2 fees that go to us, your lender, are:
 - Processing fee of \$995 and our Underwriter fee is \$695
- We will continue to monitor the bond market for you and if bond prices go up - the rates will fall and we can bust the lock and re lock if rates improve.
